

Reception News

Spring Term 1 - Our topic is:

Space

Days to Remember:

Mrs Pemberton teaches:
Mon, Tues, Wed & Thurs am
Mrs Christison teaches:
Thurs pm
Mrs Wood teaches:
Friday with Year 1/2

PE: Tuesdays & Fridays
Forest School: Fridays (weather permitting), **please have wellies and a warm coat in school**

This half term the children have chosen to learn about Space. It is an exciting topic and will be very cross curricular.

Have a look in our 'Spaceship' to see what the children would like to know and what they already know, you will be amazed!

Tim Peake has been a big topic of conversation and the children are enjoying watching Tim Peake's Cosmic Classroom.

We will be looking at The Solar System, the history of space (the first man on the moon), travel in Space and what you might need to take with you, what does an astronaut do? Why is the sun important to us? Looking after our planet, to name just a few things we will be covering!

We are also having ICT with a specialist from Fulford School alternate Thursdays, it would be very helpful if you could practise logging onto Purplemash with your child - thank you.

Our **Literacy** work this half-term will mainly link with our topic work. We will continue to look at a range of texts together: fiction and non-fiction and writing for different purposes.

123456

In our **Maths** lessons we will be reviewing shape, looking at using familiar objects and common shapes to create patterns and build models. We will looking at estimating along with weight and capacity.

78910

Phonics

We will continue to focus on forming our letters properly along with introducing digraphs (two letters making one sound). I know that most of you have been in to watch our phonics, but feel free to come again!

abcdefghijklmnop

All the children will be reading in guided reading groups each week, as well as reading individually. Please remember to change your child's home reading book regularly so that you can support your child's reading development at home.
