Headteacher's Introduction

We didn't let the rain dampen our spirits on Wednesday, when the whole of KS2 took part in the Brownlee Foundation Triathlon! Lots of fun was had by all! Key stage One welcomed new starters and their adults to look around our lovely school, ahead of starting in September. We're all very excited!

Sadly, Jade will be leaving us for pastures new - we wish her all the best in her new venture. We now have vacancies for an After School Assistant (Mon- Thurs) and a Midday Supervisor (daily) and we are looking for someone to join our happy team! If you would be interested in either, or both of these roles, please get in touch with the office. (01904) 551075.

We wish you all a wonderful week!

THINGS TO REMEMBER FIRST WEEK BACK

Monday 3rd June – School Opens

Wednesday 5th June - Year 4'S have their MTC

Thursday 6th June – Year 5/6 Residential meeting 3.30pm

Thursday 6th June – New starters Face to Face 9.30am

Friday 7th June – PJ'S needed for swimming (top group only)

AND THE WINNERS ARE...

Attendance House Winners

Respect

Celebration Winners

House Point Winners

Respect

Help please!

Please save egg boxes/plastic containers/yoghurt pots/cardboard/kitchen roll inner tubes etc for next half term's junk modelling club. If you can please keep at home until after the May half term holiday though, as we have very little storage space! Please give it to Mrs Noble during the first week back as our first club date is Thurs 6 June. Thankyou!

Our attendance this week is: 85.6%

The National Average is: 94.2%

School Newsletter

The children had lots of fun creating an obstacle course to help them exercise and be healthy. Here they are running, balancing and pushing the wheelbarrow around different obstacles. Great teamwork Acorns!

Acorn Class

Acorn Class kicked off their cress seed experiments last week! 🌱 🌿 ☀️ 🌑
They have learnt how light, dark, and water have impacted the seeds growth and have recorded their findings.

Year 3/4

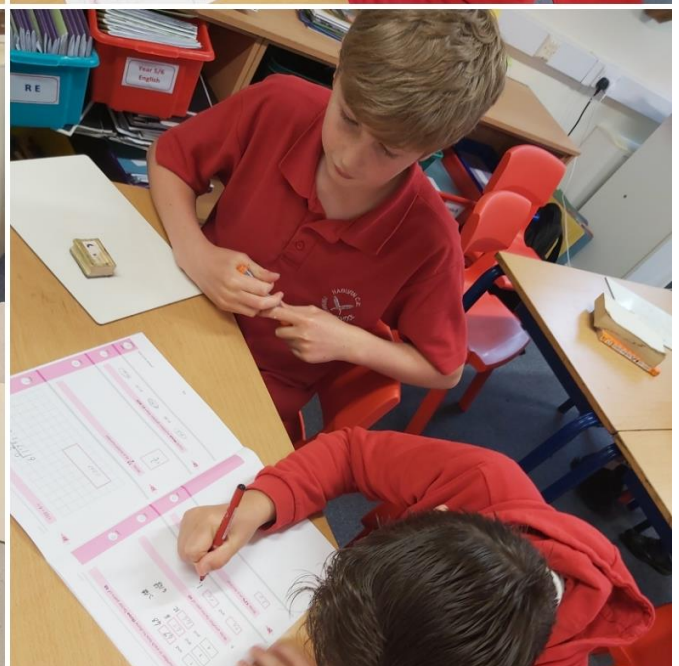

KS2 had an amazing time taking part in the Brownlee Foundation Mini-Triathlon at York Sports Village on Wednesday. The children swam, cycled and ran their way to the finish line. Even the torrential rain and mud didn't stop us smiling and the event was a wonderful introduction to the sport. We may have inspired some future triathletes – watch this space...

Year 5/6

Y56 have had a jam packed final week of half term! In Science we learned how views of our solar system have changed over time, from Aristotle's geocentric theory to Newton's heliocentric (do ask Y56 what this means!) In Topic/Art we completed our stunning costume collages of Tudor Lords and Ladies and now know our kirtles from our ruffs and our Peascod Bellies from our breeches! In Maths, Y6 had a fabulous mentoring session with Y5, which all concerned found very helpful. Mrs N was super impressed by the clarity of the explanations offered by Y6. We are almost (but not quite) at the riveting conclusion of 'The Devil and his boy' and will finish it straight after half term will Queen Elizabeth survive or will the dastardly Dr Mobius and his gang of thugs triumph? Finally - we also completed our first ever triathlon in pouring rain! Phew - well done everyone ... I think you've earned a relaxing week off! Enjoy!
