Headteacher's Introduction

We are just over the moon with our wonderful Year 6, who have worked tirelessly throughout the year to secure brilliant results in SATs!! With a combined score of 100% achieving expected or above in Reading, Writing and Maths, we could not be more proud of you! Congratulations! Please join us at the Village Hall on Thursday 18th at 2pm for our leavers assembly and again on Friday after school for the end of term party - all welcome!

Thursday saw a fantastic Sports day (although it was touch and go at one point because of the weather)! Thank you to all the parents who came and took part - it was so good to see so many of you there!

It's also nearly one whole academic year that I have been at Naburn Primary! I would like to thank you all for being so welcoming, supportive and loyal! I truly feel valued as a member of our wonderful school community!

Have a great weekend all!

THINGS TO REMEMBER NEXT WEEK

KS2 are at York Minster on Monday for the Eucharist – please send PACK UPS

Year 6 LEAVERS Assembly on Thursday at 2pm

Break the rules day on Friday – see attached poster

End of Year party!! – Friday 5.30pm at the Village Hall

AND THE WINNERS ARE...

Attendance House Winners Community

Celebration Winners

WELL DONE YEAR 6 ON YOUR AMAZING SATS
RESULTS – YOU ARE ALL STARS!

House Point Winners Respect

Reflection Corner

This week we have discussed and reflected upon the question:

Does someone deserve respect because of their position, title or uniform?

Our attendance this week is: **90%**

The National Average is: **94.2%**

School Newsletter

EYFS have been creating maps this week from familiar stories. We read *What the Ladybird Heard* and drew maps to show the route around the farmyard to get to the prize cow! We've been working on using our positional language to describe where things are in relation to each other. We've also been busy creating number stories using our small world animals. Great job!

KS1 have continued working hard to develop their printmaking skills. Using sponges and cardboard, we carefully drew our designs onto the sponge, cut them out and stuck them onto our cardboard to create our very own stamps. Next, we thought carefully about our choice of colours and made sure we applied some pressure to create our prints onto paper. It was very tricky and it didn't always work the first time but we persevered! What do you think to our first attempt at making our own printmaking stamps? Mrs Rotchell was very proud!

Acorn Class

School Newsletter

Year 3/4

Willow class did themselves proud at Sports Day on Wednesday. Thankfully the rain held off and we were able to take part in the 50m sprint, the egg and spoon race, target throwing, bean bag balance and skipping. We had a brilliant time and loads of fun!

This week we have had to say a sad goodbye to Felicia. She has been such a big part of our class and our school and we will miss her very much. Goodbye, Felicia. We wish you all the best in your new school.

Year 5/6

Sycamore have had an amazing week discovering all about the digestive system and recreating the colon in action! We had a fab sports day on Wednesday and managed to stay dry whilst having the best time. And Year six enjoyed a great morning at Crucial Crew on Thursday. Lastly just want to say a MASSIVE congratulations to Year 6 on their SATS results, they are amazing! Am so proud of you all!
