Headteacher's Introduction

It has been another great week at Naburn, this week - if not a little quieter than usual! Our wonderful Year 5/6 children have been tackling daring and bold feats, as well as having so much fun, on their residential at Newby Wiske Hall. They're due back this evening at the usual pick-up time and just in time for Naburn Gala tomorrow!

We will be flinging open the school gates tomorrow to welcome all visitors - please take part in our treasure hunt and collect your prize from us at our lovely school! We have a few games in the playground and a colouring table too

Thank you all for attending our open evening last week - it was great to see you all and share what we've achieved.

Fingers crossed for sunshine tomorrow and hope to see you then!

School gates open 1pm -3.30pm Sat 29th June

THINGS TO REMEMBER NEXT WEEK

**Wed 3rd July is Year 6
transition day**

AND THE WINNERS ARE...

Attendance House Winners Community

Celebration Winners

House Point Winners Community

Don't Forget!

Naburn Gala is on tomorrow 1-4pm
It is bound to be a fun filled day with a kids/adults
baking competition...a kids/adults images of Naburn
photo competition... dog competition and much
much more

Reflection Corner

This week we have been reflecting on the pollution of Earth,
what we can do to help clean up our oceans and the preserving
of natural resources.

**"The earth is the Lord's and everything in it, the world, and
all who live in it." Psalm 24:1**

Our attendance this week is: **85.6%**

The National Average is: **94.2%**

School Newsletter

Our EYFS children got creative this week and made their very own submarine. They've had a great time using role play to pretend they were under the ocean in their blue submarine. We talked about what sea creatures they could see and practised taking it in turns to be the driver!

This week in English, we have been thinking about how to protect our seas and oceans from plastic pollution. We discussed what we could do to help such as picking up our litter and putting it in the bin as well as recycle, reduce and reuse plastic. We created persuasive posters to encourage people to protect our oceans and the creatures that live in them. Great work KS1!

Acorn Class

School Newsletter

Year 3/4

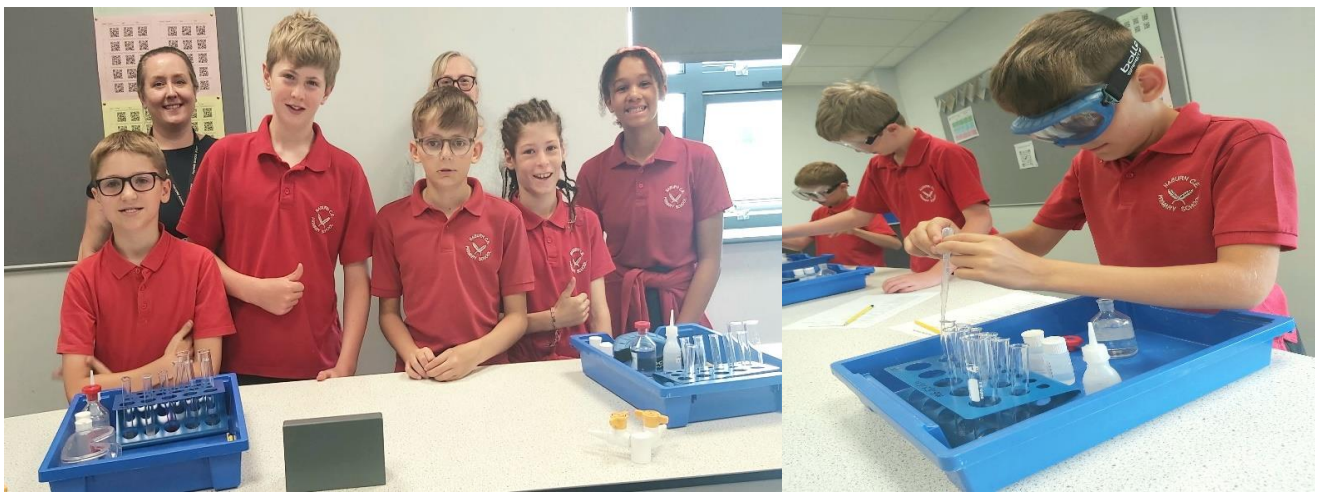

Willow class have been consolidating their knowledge of time this week. The children are becoming more and more confident at telling the time using an analogue clock. Please ask them the time whenever you get the chance so that they can practise! We have also been learning all about Stone Age cave paintings and have had a go at creating some of our own. In science, we are learning about the digestive system, starting with teeth, including identifying all the different teeth in our mouths.

School Newsletter

Year 5/6

Y5 have worked hard all this week with Mrs Uttley focusing on time in Maths, teeth in Science and hunter gathering and cave painting in topic/art! Y6 had a fabulous Science trip to Fulford on Tuesday and, from Wednesday onwards, they (and Y5 Ayla) have been having an amazing experience on residential at Newby Wiske. They have faced their fears by scaling great heights; worked as a team to solve problems; built shelters and made fires in the woods; LOVED giant paddle boarding and archery and, as Mrs N writes this, still have balloon splash, zip wire and climbing to look forward to!! We're all going to need a restful weekend but what fun we've had and what superb ambassadors our children have been for Naburn school!

The King's Gospels

A MESSAGE FROM KEITH HAYDEN – THE PROJECT COORDINATOR FOR THE KINGS GOSPELS

OUR CITY FESTIVAL - Saturday 29th June, 11am - 4pm at York Explore Library

I would be grateful if you could let everyone at Naburn Primary School know about the following:

I have just had confirmation that we can display the King's Gospels together with some of the 89 illustrations and related photographs at York Explore Library this coming Saturday!

An exact (printed) copy of the King's Gospels that we sent to HM King Charles III for the coronation is going to be on display for members of the public to see and read.

This display on Saturday gives an opportunity for those who would like to see these unique handwritten *York Gospels 2023*. Following the special event in April with the Lord Mayor at York Mansion House

<https://www.yorkpress.co.uk/news/24301199.york-marks-first-anniversary-king-charles-monarch/>

most of the illustrations have since been on display at the Spurriergate Centre.

At this week's event - **Our City Festival on Saturday from 11am until 4pm** - there will also be a variety of other groups displaying their chosen items. The King's Gospels are expected to be in the Marriot Room.

May I take this opportunity to say again how grateful I am for all those at your school - pupils, students and staff - who took part, and so helped to make this unique coronation gift possible.

Thank you very much too for taking the time to consider this at short notice, especially at this busy time, and for your support.

I hope that some from your school may be able to visit the King's Gospels stall at York Explore Library on Saturday, and look forward to meeting those who can come.
