Headteacher's Introduction

Hi All,

A very warm welcome back to school! As always, we have had a busy week!

The highlight for the children has been Sean Gaffney coming to visit us - he is truly inspirational - the children asked some great questions and really enjoyed the afternoon. A huge well done and thank you for all the sponsor money too! We will let you now the total once it's all in.

On Tuesday, after school, we will be sending out a letter about the development of our Forest School area. We are involved in a study with York University to ascertain the impact of Forest Schools on children's mental and emotional wellbeing. Tuesday will be your chance to meet Hannah (leading the study) at the school gate but don't worry if you miss her - any questions you might have can be forwarded to her and she is available to come back to see us, if we wish. We have already had two members of staff doing some training that they thoroughly enjoyed!

Finally, to our new starters this week - all the way from New Zealand! Whilst we can't guarantee the weather will be as warm, we wish you a very warm welcome and are very happy to have you as part of our lovely school community.

School Newsletter

On Wednesday we were visited by Sean Gaffney as part of the Great Athletes event. Sean is a power lifter and rower and has competed in both the Commonwealth Games and the Invictus Games. He has numerous world championships to his name. The children took part in a circuits activity and we had a lot of fun whilst raising money for a brilliant cause and for our school, although as you can see, we were pretty worn out at the end! Sean shared his story of resilience and determination with the children. What an amazing example of our school value of aspiration.
